La escritura original mostrada a continuación ha sido extraída de un documento titulado Test1_A_Original.pdf

According to the legend, Solomon had asked the Prince of the Demon, "Ashmodeus" to bring him the Shamir and Ashmodeus told him that the Shamir had not been placed under his charge, as there is no Shamir in Gehenna (Hell). In eagle brought the Shamir to Solomon from tolen the Paradixe, the only place where the Shamir could be found.

La escritura bajo sospecha presentada a continuación ha sido extraída del documento titulado Test1_Sospecha.pdf

And the tsitsits had a message sealed inside the knots

Just as there is a wessage sealed in the fair emblews which

are used on Passover, to depict the "time of our freedow".

And they are (1) Mat20; (2) Bitter Herbs; (3) Salt-water and

Charauses (a kind of fruit wixture in likeness of the

appearance of wortar); and (4) an attitude to lean

back.

El documento de la escritura original junto con el de la escritura bajo sospecha ha sido sometido a un análisis por parte de la herramienta de reconocimiento e identificación de escritura Reid, resultando en un 49.64% de similitud entre ambos documentos.
